

SRC BULLETIN

Introduction

Hello everyone, Edward is my name. YTU is our biggest acronym; SRC (Student Representative Council) is another. I'm happy to serve as your new SRC secretary and as such I have the opportunity to put together the SRC news items for the 2019 academic year.

I feel excited to commence this first semester of 2019. Extend a word of welcome to students and staff, but especially, to our cherished new students for this year. Feel at home in YTU, as you will soon experience the well-cherished YTU hospitality.

The SRC President and members express great appreciation to all who contributed and took active part in Orientation and BBQ program last Friday. I believe it was a wonderful catch up for some faculty, administration staff and students. Wishing everyone the very best this semester. Welcome!!!

Important Things to Take Note of ...

During this semester, the SRC would like to provide enriched social services to make us feel more comfortable. We kindly request each student to give a donation of \$20 to support provisions of tea, coffee and biscuits in the common room. There will be envelopes made available at each lecture for the purpose of donation. Please feel free to request an envelope after which you hand in your donation to the lecturer, the Admin staffs or any of the SRC members. The Admin staffs are more than happy to assist you in any regard. (Donation supports: Start of Year BBQ, Start/End of Year Eucharist, Social Night etc.)

YTU 2019 Inaugural Eucharist: Friday March 1 @ 7pm

Please be reminded that our Inaugural Eucharist is on Friday this week. All students as well as families and friends are cordially invited.

Time: 7.00pm at our St Paschal Chapel here. Followed by Supper in the Common Room. ☺

“Common Room Raffle” ☺ ☺ ☺

We will be having a monthly “Common Room Raffle” which will be under the SRC noticeboard for a gold coin donation (various prizes throughout the year such as wines, chocolates etc.)

“Meet the Folks”

“At our last SRC Meeting, something that came up was that we might not know our lecturers/admin as well as we would like to! So we decided to add this segment into the Weekly Newsletter as a means of getting to know our “academic parents” here at YTU. Therefore, starting next week, we will be putting the spotlight on one lecturer/member of admin in each week’s Newsletter! We hope you enjoy reading them!”

ID Cards

The University of Divinity ID Cards could be obtained from the Admin Office this and the subsequent weeks. Feel free to approach Janette and her experienced team for support in this regard. You can contact Janette on registrar@ytu.edu.au
