YTU Information Day

Sunday October 16th from 2pm to 4pm.

We would like to call for student helpers on Information day to assist with welcoming, ushering, hospitality, mingling and tours. If you are available to help we would be most grateful. Please contact Admin or Janette if you would like to help with any of these areas. There will be a briefing of helpers at 1:30pm in the Study Centre. Also if anyone is able to provide a plate to assist with hospitality that would also be greatly appreciated.

We warmly encourage everyone to come along with family and friends from your various networks to help promote YTU. Everyone is most welcome and we would love to see as many of you as possible.
