## Message from Tiziana, SRC President

Dear YTU students, as we approach the end of semester two, I would like to wish you all the best with your final exams and assessments. It has been a privilege to represent you as SRC President this year. My sincere thanks to Mark Chia (Secretary), Matthew Tonini (Treasurer) and to the SRC team for their enthusiasm, commitment and efforts. I encourage you to attend the SRC Annual General Meeting on Tuesday 25 October at 1.30 pm in the Common Room. Join us as we elect a new Executive team for 2017 and appoint general members. Everyone is welcome. Finally, I look forward to seeing many of you at the End of Year Eucharist on Friday, 18 November. It is always a wonderful way to come together and mark the end of the academic year!

## From the Chaplain's Corner

The famed theologian Karl Rahner SJ is quoted as saying that *the theological problem today is to find the art of drawing religion out of people, not pumping it into them. The Holy Spirit is in people . . . the art is to help them become what they are!*

Here we are, over sixty years later - another generation of students studying theology. Why? Are we discovering the art of being able to draw religion out of people? Do we trust Rahner's challenge? Do we trust the action of God's Spirit in our own lives and in the lives of those we touch? Am I becoming more truly who I am as a result of my studies in theology?

As we near the end of the academic year, maybe these questions, prompted by Rahner's understanding of theology, would be worth giving some prayer-filled attention. What do you think? Blessings on your assignments and exams. Sue
