From the Chaplain's Chair – Welcome to the Second Semester

Welcome to the Second Semester. Welcome especially to new students just beginning at YTU. You will meet a happy loving community of people, committed to deepening wisdom and grace. Beginning of semester might be a good time to remind ourselves that each of us is utterly unique before God, each with our distinctive gifts. At the same time, we respect and appreciate the distinctive uniqueness and diversity of each other's gifts. In other words, we acknowledge that each of us is a unique manifestation of the Divine. How profoundly this diversity enriches our student community. Let's remember that 'to be' means 'to be different'.

It's such a wonderful thing that we human people have the gifts of inner wisdom, creativity, awareness and the ability to reflect. Deeper meaning comes from within, from the sacred depth of our being, from our own reflections. Each person's reflections are different from the reflections of others and give rise to different expressions which we respect. We each have our own truth but this truth is not the only truth.

At another time, it might be good for us to talk more about our growing awareness of where we belong in the communion of God's creation. We understand better now that Love is the bonding of all creation. For now, I wish you many blessings in the semester ahead. (Sue Richardson pbvm)

Important Request from your SRC

As it's the beginning of yet another semester, we will once more be conducting a donation drive for supplies towards the Common Room. To help us along, we suggest that a \$15 donation be made. Envelopes will be handed out during class or are available in the Common Room. Please submit your donation to any SRC member or to the Admin Office. In addition, we would also like to gently remind everyone to help us keep the Common Room clean as well as to wash, dry and keep the mugs after using them.

Brotherhood Cup

The annual Brotherhood Cup is on 6th August 2016 at 9a.m. It's a friendly soccer tournament amongst the various catholic formation houses in Melbourne. If you would like to be on the team representing YTU, please send an email to Agedo: agedo.bento@yahoo.com. It will be held at the Salesian College Soccer Field in Chadstone.

Peer Contact Officers

YTU has the following Peer Contact Officers available to all YTU students. Please feel free to contact any of the officers should you feel that your rights as a student here at YTU (see YTU Handbook 2016 pages 25 to 26) are being ignored or disregarded. The Peer Contact Officers will be able to provide information and advice on the process of making a formal complaint. This breach might be by other students or staff.

Workplace Health and Safety

We would like to gently remind all students to refrain from tilting the chairs in the classrooms backwards. The chairs in the classrooms are not designed to tilt backwards. There could potentially be bodily injury if the chairs are forced to do so.

Weekly Eucharist
