YTU Information Day

As our Information Day is only a few weeks away YTU would like to further promote ourselves in the wider community by inviting students and faculty to speak at parish weekend masses.

If you would like to speak at a parish on our behalf could you please contact Nicole on 9890 3771 #9 or by email: admin@ytu.edu.au.

A three minute talk has been put together as a guide, along with YTU flyers to be handed out.

Another way people can help out is by spreading the word about YTU and our upcoming Information Day (Sunday 16th October).

Tell your friends, family and colleagues; and/or even take a copy of the flyer so that you can forward to people that may be interested in studying at YTU. The majority of our students come here via word of mouth and the excellent reputation we hold.

Weekly Eucharist

Tuesday 13th September at 12.40p.m. in the Common Room. All are very welcome.
