

SRC BULLETIN

From your SRC

Following on from last week, the SRC would like to extend a very warm welcome to all students of YTU as classes commence this week. We hope that you are all ready and excited for another semester of "Faith seeking understanding"!

We would like to also extend our thanks to all those who helped at the Orientation and BBQ last Friday night, we all had a wonderful time. It was great to meet some of the new students as well as catch up with some of the returning students and faculty!

Important Request from your SRC

As many of you will become aware during this week, the SRC is asking for a donation of \$15 for the semester. This donation will ensure that we are able to continue providing tea/coffee/biscuits as well as the various other initiatives that we will undergo on behalf of the students at YTU throughout the semester. Your lecturers should have envelopes during each class, we ask that you either hand your envelope to an SRC representative or hand it in at reception. If you haven't received an envelope, please check with one of our *wonderful* admin team!
