

# SRC BULLETIN

## From your SRC

Firstly, welcome back! From all of us at the SRC, we hope all students (and lecturers too!!) have had a productive non-instructional period. We now enter week 9, and with that comes a bit of pressure to get stuck into the many assessment tasks that lie ahead! Perhaps a few lines from Isaiah (43:2) will help, "When you pass through the waters, I will be with you; and through the rivers, they shall not overwhelm you." All the best everyone!

## Weekly Eucharist

You are all warmly invited to attend our weekly Eucharist every Tuesday at 12:40pm in the Common Room. We would like to thank Bruce Duncan CSsR who celebrated last week's Eucharist. This week's celebrant is Kelly Kam SDB.

## SRC AGM

As I mentioned in the previous newsletter, our SRC AGM is approaching. The SRC had a meeting last week and set the date of this year's AGM for the 31<sup>st</sup> of October (Wednesday) at 1pm. We are all hoping that this AGM can be attended by as many students as possible. This is an opportunity to have your say in how the SRC is run in 2019, voting for office holders as well as getting a feel for how it all works. We would like to urge all students to reflect over the coming weeks if joining the SRC is something you could see yourself doing. In order to help with this, the remaining SRC Newsletters for the semester will contain a short paragraph on different member's personal experiences of the SRC. I'll kick this off with a small reflection:

*Being a part of the SRC has been a great honour for me over the past year and a half, it gives me great energy to be able to contribute to so much that goes on behind the scenes to make YTU the place that it is. Everyone knows of the community 'feel' to YTU, I feel that being on the SRC strengthens that even further. I have had the privilege of being able to work with a wonderful group of people and, in the process, form really beautiful friendships.*

– Luke Bulley CP (2018 SRC Secretary)

## Quote of the Week

A bit of a funny one this week:

Jesus said to them, "*Who do you say that I am?*" They replied, "*You are the eschatological manifestation of the ground of our being, the kerygma of which we find the ultimate meaning in our interpersonal relationships.*" And Jesus said, "*What?*"
