

MESSAGE FROM THE SRC PRESIDENT

A warm welcome to everyone: students and faculty, especially to those who are new to the YTU community. For those who have just joined us in this inspiring and energetic community, I pray and hope that you will have a great time here. Please let us know how we, the SRC, can assist and serve you better during the semester. For those who are returning, a warm welcome back and we hope that you had a good time over the weeks wherever you were, whatever you did. I thank you for your support of the SRC and its work last semester and hope this will continue for this semester. We look forward to seeing you around.
