YTU - 2021**

Greetings!

It has been a joyful and exciting weekend when the YTU Class of 2020 students attended the Graduation Ceremony on Friday 19 March 2021 at Saint Patrick's Cathedral. There were over four hundred graduates for the whole University and ninety-one students from YTU. We congratulate all of them and wish them all the best for the next step of their journey.

We have come to week 5 at YTU. I hope everyone is progressing well with your assessments. This year we have reached the Non-Instruction Period time at YTU so quickly which will start from 29 March to 11 April. This means that this week is the last week for us to study at YTU before joining in the Holy Week and the Easter celebration. We will come back at YTU after a fortnight. So, I wish you to have a meaningful and fruitful time on the last few days of Lent before entering the Holy Week and Easter celebration.
