YTU - SEMESTER 2 - 2021

Greetings,

Welcome back!

We ended the first semester by entering the lockdown and now as we begin the second semester in another lockdown. Indeed, it can be a difficult time. Hopefully, you were able to enjoy some downtime during the study break.

On behalf of SRC, I would like to express a warm welcome to all YTU Staff, Faculty and especially our new students in this second semester.

Wishing you a joyful and fruitful academic semester.

The lockdown has lifted in Victoria. If there are any further notices from the college, I will let you know.

Looking forward to seeing each other again.

Keep safe and see you soon at YTU.

Vuong Nguyen (SRC Secretary)
