YTU - 2021

Greetings,

A warm welcome to the Week Ten! There will be three more weeks then we will end the semester. I believe we are doing really well. Keep working hard and enjoy finishing your final assignments.

Dear friends, please note that we are still required to meet Covid Safe regulations when using the Common Room.

You can help by:

- ❖ not moving the furniture, it is set to 1.5 metres between chairs
- ❖ Following the floor signs in the kitchen areas
- ❖ Putting all cups, mugs and dishes in the dishwasher
- ❖ Emptying the dishwasher, if it has the sign on it that it needs emptying
- ❖ Not sharing spoons but using the CLEAN / USED mugs set out in various places
- ❖ Wiping down all benches at the end of a break

Scanning the QR code each day is necessary, please, do it when you arrive at YTU.

The Mother's Day date in Australia is celebrated on the second Sunday of May each year. It is a time for us to be grateful and honouring our Mothers for what they have done for us: their love, their care and their sacrifice. Wishing them always to be happy and healthy. We also remember to honour Mother Mary. The Mother of the Lord always embraces all those who follow his Son, Jesus Christ.

I also would like to inform you that we are preparing well for the 2021 Brotherhood Cup. Last weekend, our team had a friendly match with a Vietnamese team in Springvale. It was such a good test for us before entering the Brotherhood competition. The YTU Soccer Team is ready for this year.

Enjoy week 10!
