YTU - 2021**

Greetings,

Welcome to week 3 at YTU. It seems that everyone is happier and more joyful with the start of this academic year because we are able to catch up with our lecturers, staff and friends. Indeed, it is a blessing for us to be back at YTU. I hope that all of us will keep this experience of blessing, joy and cheerfulness to go through this year.

Though we do not have the hospitality week this year, we are welcome to spend time with each other during a break time after each session.

I also would like to inform you the Brotherhood Cup. Due to the pandemic, we called off the Brotherhood Cup last year. However, we are planning to arrange the Brotherhood cup this year. Please, prepare yourself well for this event. I will send you a further notice when it has a clear day.

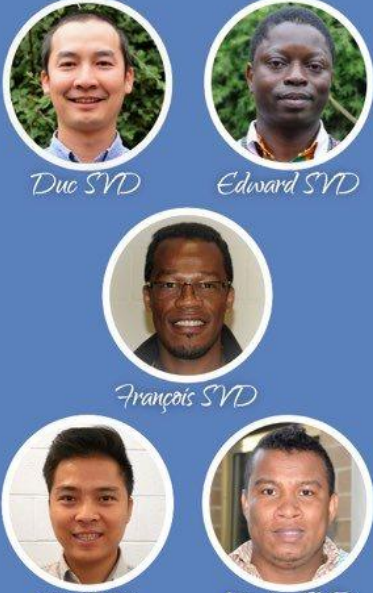

I am happy to inform you of the invitation to the final profession and the ordination to diaconate of the five SVD Brothers, who have been doing their theological studies at YTU.

Brothers: Duc and Hai, from Vietnam.

Francois and Marius, from Madagascar.

Edward, from Ghana.
