YTU - 2021**

Greetings!

Welcome to week 4 at YTU. We are on one-third of the semester. It is bravo!!! The time is flying quite quickly. I realise that we start to be busy with the mid-term essays. However, I hope that you still keep the spirit of joy and peace as we started this semester so that we can delve deeply into the knowledge of God.

On behalf of SRC members and students at YTU, I would like to say Congratulations again to five SVD Brothers: Edward, Marius, Francios, Hai and Duc on their final profession and the ordination of diaconate.

At YTU, there will be Senate and Council Meetings on Friday 19 March. The SRC represent the students at the Senate Meeting, Education Board, the Occupational, Health and Safety Committee, and Departments.

The Student Services Committee of the University of Divinity is inviting a student representative from any of the Colleges. If you are interested please contact the Registrar or Academic Dean.

We have received the e-mail from Janette regarding to the YTU Semester One COVID safe Procedures for those who attend onsite classes this Semester. Please, continue to maintain this COVID safe procedures which are required and listed on the attached file at the ark post.

As I have mentioned last week, we are going to have the Brotherhood cup this year. It is supposed to be held on 22 May when we are able to join with other seminarians for games and especially, building up the brotherhood with them. Therefore, the SRC council plans to have some practices before the event.

Brother Pong, a Redemptorist, is willing to take the role as a Captain for YTU-Team 2021. Also, we plan to begin our first practice at Kew on Sunday 21 March at 3:30pm at Reservoir Reserve, Kew VIC 3101 (Behind the traffic school), near the Redemptorist community.

Enjoy your week and see you at YTU soon!
