YTU - 2021**

Greetings,

Welcome to week seven at YTU. We are progressing on the second half of the first semester of 2021. I hope that you all manage well with the mid-term essays. The SRC encourages everyone to continue spending break time in the YTU Common Room to catch up with each other more.

Last Sunday, YTU students had their second soccer practice in Kew, VIC. We would like to thank all those who came to play as a preparation for the coming Brotherhood Cup and build up the brotherhood among YTU students.

Last Wednesday, Pope Francis expressed the catechesis on prayer at his address in the Library of the Vatican Apostolic Palace. Pope Francis pointed out that “the Church is a great school of prayer.” “Everything in the Church originates in prayer and everything grows thanks to prayer,” he said. Thus, we are encouraged to give a priority to prayer and share the experience of praying with one another at YTU.

Enjoy another week ahead.
