YTU - 2021**

Greetings,

Week Nine is here! I hope you are having a wonderful time organising your final essays. Wishing you all the best!

As the weather has become colder and the heating at YTU has been temporarily compromised by the current building works, please plan to rug up with an extra jacket or jumper when attending class. Hopefully the heating will be fixed soon.

This month is the month dedicated to Mother Mary. We are invited to spend time to reflect on the life of Mother Mary in following her Son, Jesus Christ.

Moreover, we are called to join a “Marathon of Prayer” for an end to the Covid-19 pandemic which Pope Francis inaugurated in Vatican Basilica on 1 May. He called all of us to “join together in prayer with all the sanctuaries spread throughout the whole world, with the faithful, and with all persons of good will, to entrust into the hands of our Holy Mother the whole human race, sorely tried by this period of pandemic.”

Enjoy your time at YTU and keep working hard!
