

SRC – YTU - 2021

Greetings,

The year of 2020 has been unexpected, unprecedented and uncertain. It caused us to have different experiences. Some who might think of it as underwhelming and others might see as overwhelming. Indeed, it has been a very difficult year for us in many ways. Particularly since it caused us not to be able to go to YTU and attend online classes through zoom instead. However, we all overcame those difficulties to be ready for the new academic year. Fortunately, we can begin the new academic year 2021 with face-to-face classes and more importantly, to have a chance to catch up with our lecturers and friends.

On behalf of SRC of YTU 2021, I warmly welcome all the professors, staff, students and particularly, to new students. I wish you a fruitful and joyful academic year 2021.

I would like to express gratitude and a Big thank to all members of SRC 2020 for what they contributed to YTU.

As we start the new academic year in the time of Lent 2021,
I would like to invite you to reflect on what Pope Francis has pointed
out for us on his message of Lentern season:

“A Time for Renewing Faith, Hope and Charity”

This could be seen as a starting point for us in this year of study.

I also would like to take this opportunity to introduce the new members
