UNIT CONTENT

DR9663Y: This unit will address the changing context in which Catholic schools operate and the import this has for school leaders. It will focus on the centrality of 'mission' in a context where the historical partnership between family, school and parish has diminished. The unit will then address the need for openness to the Spirit as we re-contextualise by drawing on the wisdom of Tradition, Scripture, church and human experience as we negotiate the needs of an increasingly pluralist school community. It will also examine the responsibilities of those aspiring to or involved in leadership under the rubrics of educational, spiritual and managerial leadership.

BS9662Y: This unit develops skills in the narrative-critical investigation of biblical texts, and in understanding how the narrative works to convey the theological perspective/s of its author/s. The narratives will be the Book of Exodus, and either two of the Passion narratives and two of the Resurrection narratives, or two discrete sections of the Gospels chosen from *The Lukan Journey to Jerusalem (9:51-19:48)*, or *Matthew's Sermon on the Mount (5:1-7:29)*, or *Mark 8:22-10:52*; or *John's Cana to Cana (2:1-4:54)*.
